ty Cents. Naturally, every patriotic American wants to go to the Columbian Exposition, and will go, if possible; and just as nat-urally, the impossibility of going makes the desire all the stronger to see the beauties and wonders there displayed. distance, when the work of grading will be immediately pushed forward,

Mr. and Mrs. W. H. Johnson left town

beauties and wonders there displayed. Whether one goes or not, a souvenir of the grandest Exposition of all time is a desirable thing to have; and no more complete or beautiful one can be had than the September number of Demorest's Family Magazine,—the Exposition number,—which contains over 300 illustra-tions, showing as much as one could see in a week's visit, and accompanied by vivid descriptions of all points and objects of interest. In fact, 'tis a collection of photographic souvenirs that would cost a lot of money, and yet you may possess it for only twenty cents. Through it you may also become familiar with the city of Chicago as well, for the history of
